BUSHFIRE PROTECT
EAVE VENTS
DATA SHEET

PRODUCT FEATURES

Offering both standard and continuous soffit vents, these vents are designed to provide critical cool air intake into your home's roof cavity and comply with AS3959 for use in BAL 29, 40 and Flames Zones. Manufactured in standard sizes or custom made using galvanised or stainless steel, our Bushfire Protect Soffit vents are powdercoated to standard or custom colours.

Custom 80mm wide continuous vent
